The independent one-bedroom apartment is completely self-sufficient and separate from the main villa. The one-bedroom apartment has a kitchen, dining table, living area with a pullout sofa that sleeps 2, a full bathroom, and a bedroom set up to sleep 2.

The main villa sleeps a minimum of 1 and up to 12. The independent one-bedroom apartment sleeps 4. In total, Villa Bliss can sleep up to 16. Villa Bliss is also equipped with a crib and highchair. This is a family sanctuary; not a party house.

Parking on the property can accommodate up to 5 cars.

### The location

This beautiful and comfortable villa is a pleasant alternative to your typical holiday resort. With easy access to routes to larger cities, this is the perfect home for a tranquil holiday with the option of exploring further. Villa Bliss boasts the perfect location and is just 15 minutes to Vilamoura, Quarteira, and Albufeira, 20 minutes to Faro Airport, and 40 minutes to Lagos.

Boliqueime is a charming, typically little Portuguese village within 10 minutes of almost everything the Central Algarve has to offer, including 13 World Class Golf Courses. It's surprisingly only 5 km from the coast, and Vilamoura can be seen from the villa's balconies.

The village is only a few minutes' walk away and has everything you will need day to day, and night to night! There are large and small supermarkets, bars, restaurants, a bank, a chemist/pharmacy and clinic, a post office, a school, and the crown jewel at the front and centre of the Village which is the beautiful 17th Century Catholic Church.

The local supermarket in the village is fine for everyday essentials, but it would be a very expensive way of purchasing everything you'll need for your stay. The best thing would be to travel to one of the large shopping centers. The 2 main shopping centres are located in Guia and Faro. Guia Shopping is about 3 km west, Auchan in Faro is about 5 km east, and Apolonia in Almancil is 3km east.

### Getting around

Getting around by car is ideal at this location but it's possible to walk to the nearby shops, restaurants and bars. Uber is always an option for those who prefer not to drive.

### Winter rentals

This property is available for longer stays in the low season. We can offer discounted rates on a case-by-case basis, so please contact us for more information.

### SEF Requirements

### Other details
